

Coronavirus Update and Action Plan

As we approach the Easter Long Weekend, normally a time to celebrate with family and friends, we are being reminded that lockdown still exists and to only leave home if absolutely necessary.

The rate of infection is plateauing however we still 2773 confirmed cases of COVID-19 in NSW and 99 in the ACT

On behalf of Form1 would like to take this opportunity to thank you for your patience, kindness and dedication. This is not an easy journey for any of us but knowing we all have each other's back makes it bearable.

Notifiable Cases of Infection

Should you become aware of any cases of infection within your immediate family, team, work colleagues or subcontractors, please advise us immediately - Form1 will then work with you to help minimise the impact

Open, honest and prompt communication is essential for us all to effectively manage this evolving situation. Your assistance and support in this important matter is genuinely appreciated.

If you have fever, cough and difficulty breathing, seek medical care early and inform your employer as soon as possible.

Good Hygiene

Everyone must practise good hygiene to protect against infection and prevent the virus spreading.

- covering your coughs and sneezes with your elbow or a tissue
- disposing of tissues properly
- washing your hands often with soap and water, including before and after eating and after going to the toilet
- using alcohol-based hand sanitisers
- cleaning and disinfecting surfaces
- if you are sick, avoiding contact with others and staying more than 1.5 metres away from people
- cleaning and sanitising frequently used objects such as mobiles, keys and wallets

PPE & Pre-Start

Form1 have ample stock of sanitizer, gloves, face masks etc. If you require anything, please ask. You may have noticed the pre-start questionnaire has been updated as a precautionary measure. Ask the questions and report back if any concerns are raised.

COVID-19 Induction & Influenza Vaccinations

Thank you to everyone who has actioned the mandatory Infection Control Training and participated in the 2020 Flu Shot campaign

By getting vaccinated against influenza, you have helped protect other people, especially people who are too sick or too young to be vaccinated. The more people who are vaccinated in your community, the less likely the disease will spread.

Websites to keep you Updated

The [Form1](#) website has all our regular correspondence now linked for you to refer to as required.

We'll continue to share information as it becomes available and do our best to keep you informed about what we are doing as a company and how best to prevent the spread of the virus. It is also advised you stay on top of all the current health alerts, by viewing these websites regularly

Australian Government: www.health.gov.au/news/health-alerts/novel-coronavirus-2019

NSW Government: NSW Health - [Coronavirus updates and health information](#)

ACT Government: ACT Health - [Coronavirus updates and health information](#)

WorkSafe - [Coronavirus: advice for NSW workplaces](#)

Your safety is our priority.

Thank you
