

Fire Technician

- Wide variety of technical fire safety service works and projects
- On-going training | career advancement opportunities
- Full Time | Permanent Opportunity | Sydney NSW

When Form 1 launched in 1998 we never set out to be the biggest company in the industry but every day we strive to be the best.

As a business we live for strong relationships and create a community that feels the same. If you join our team, you'll be trained to do the job well, look after your teammates and be passionate about our clients. Every day we'll make you feel at home and inspire you to be your best. We have a strong, close knit and supportive culture and know with the right opportunities and benefits our people have the ability to thrive.

At Form1 our mission is to educate, lead and protect everyone we meet. Our family of businesses are the experts in Fire, HVAC and Electrical. We empower business owners to make smarter decisions so they can have peace of mind in protecting their people and their property.

Are you ready to help us live up to our dream of being the best? Form1 is looking for the best technicians in the industry. If you're as passionate about people and serious about safety, let's talk.

Essential Criteria you will need:

- Strong fault finding skills with a focus on client satisfaction
- Current manual NSW drivers licence;
- Advanced knowledge of AS1851 and BCAs
- Reliability and a commitment to high work standards;
- Strong communication skills
- Able to work unsupervised, as well as being part of our team;
- A great attitude, willingness to be part of our team, and a strong focus on helping our customers;
- Commitment to living the company's culture.
- Telecommunications open cabling licence would be an advantage

What we will provide:

- A highly supportive culture
- Ongoing training opportunities and career advancement
- 40-hour working week with RDO, plus plenty of opportunities to increase your income through overtime and call-outs;
- Fully maintained company vehicle, a fuel card and mobile phone;
- A variety of other attractive benefits that will be discussed at the interview;

If you're as passionate about people and serious about safety as we are, email your resume and cover letter to contact@form1.com.au
