

Supervisor | Form1 Fire Western, NSW

An opportunity has arisen within Form1 Fire for a motivated and experienced electrical technician to oversee the operations of our newest branch – Form1 Western which is based in Orange, NSW.

About the role

As the Western Supervisor you will be responsible for supervising the day-to-day operations including inspecting, testing, maintaining and installing a wide range of fire protection equipment. The role is based in Orange and supported by the Sydney Service Team. Our customers are our primary focus.

Furthermore, the successful candidate for the role will:

- handle customer service interactions
- develop and maintain strong working relationships with internal and external stakeholders
- build strong sustainable positive business relationships
- coordinate and provide technical support to subcontractors and technicians on a wide range of fire panels & equipment
- estimate, quote and invoice works, order stock, manage small projects
- be prepared for travel as the Western division is responsible for all areas from Katoomba to Dubbo to Parkes

About you

This role requires someone who is passionate about people and serious about safety.

In order to be successful for this opportunity, you will have:

- Electrical trade qualifications;
- Telecommunications open cabling licence and NSW drivers licence;
- Strong communication skills;
- A proactive and conscientious attitude, willingness to be part of our team, and a strong focus on helping our customers;
- Reliability and a commitment to high work standards;
- Ability to solve problems, prioritise work tasks, meet deadlines and remain calm under pressure;
- Previous experience in a similar role would be an advantage;
- A sound understanding of all the Australian standards relating to the fire industry

- Previous experience in a similar role would be an advantage;
- A sound understanding of all the Australian standards relating to the fire industry

What we will provide

- A highly supportive culture where people sit at the heart of everything we do;

- Ongoing training opportunities and career advancement that come through being part of the Form1 Group of businesses including Form1 Fire, Form1 Air, PRM and GLS;
- 40-hour working week with monthly RDO, plus plenty of opportunities to increase your income through overtime and call-outs;
- Fully maintained company vehicle, fuel card and mobile phone.

As a business we live for strong relationships and create a community that feels the same. If you join our team you'll be trained to do the job well, look after your teammates and be passionate about our clients. Every day we'll make you feel at home and inspire you to be your best. We have a strong, close knit and supportive culture and know with the right opportunities and benefits our people have the ability to thrive.

If you're as passionate about people and serious about safety, let's talk.
