

Trades Assistant – Passive Fire | Form1 Fire Artarmon, NSW

Twenty four years ago, we started Form1. Back then we were a small and ambitious team of Australian fire protection specialists. When you meet us today you'll discover a confident group of businesses, strategic management leaders, and experienced technicians and safety specialists, working across multiple branches in NSW and the ACT.

At Form1 our intention has always stayed the same – we are passionate about people and serious about safety.

About the role

This permanent, full-time opportunity will see you based from our Artarmon office and working across a large customer base of clients including Residential Aged Care, Hospitals, Commercial, Retail, Education, and Government facilities across the Sydney Metropolitan area. This position would be ideally suited to someone with a carpentry background who wants to upskill into the fire industry.

The key aspects of your role will be:

- Installation, Repair and Maintenance of fire protection equipment to the relevant Australian Standards
- Assisting with the testing of fire protections systems
- Warehouse duties as needed

To be successful in this role, you will have:

- A keenness to learn. Form1 is committed to on-going training of our employees;
- The ability to communicate well with other Form1 team members, and with our customers;
- A proactive and conscientious attitude, willingness to be part of our team, and a strong focus on helping our customers;
- Reliability, and a commitment to high work standards;
- Previous experience as a TA or a similar role;
- SafeWork NSW general construction card and a strong focus on safety;
- Carpentry trade qualifications or similar will be highly regarded;
- Previous fire experience will be highly regarded;
- Drivers Licence and ability to be able to obtain a WWCC & Police Check.

What we will provide:

- A highly supportive culture;
- Ongoing training opportunities and career advancement;
- 40-hour working week with monthly RDO, plus plenty of opportunities to increase your income through overtime;
- Fully maintained company vehicle, a fuel card, etag and mobile phone;
- A variety of other attractive benefits that will be discussed at the interview.

As a business we live for strong relationships and create a community that feels the same. If you join our team you'll be trained to do the job well, look after your teammates and be passionate about our clients. Every day

we'll make you feel at home and inspire you to be your best. We have a strong, close knit and supportive culture and know with the right opportunities and benefits our people have the ability to thrive.

If you're as passionate about people and serious about safety, let's talk.
